Community Use of School Facilities

School facilities are available to community organizations during non-school hours when such use does not: (1) interfere with any school function or affect the safety of students or employees, or (2) affect the property or liability of the Joint Agreement. The use of school facilities for school purposes has precedence over all other uses. The Joint Agreement reserves the right to cancel previously scheduled use of facilities by community organizations and other groups. The use of school facilities requires the prior approval of the Director or designee and is subject to applicable procedures.

Persons on school premises must abide by the Joint Agreement's conduct rules at all times.

Student groups, school-related organizations, government agencies, and non-profit organizations are granted the use of school facilities at no costs during regularly staffed hours. Facilities and grounds will not be made available to individuals for personal or social reasons or to business enterprises for commercial gain. All non-school sponsored groups, before using the facilities during non-regularly staffed hours, must provide a certificate of insurance naming the District as an *additional insured* or otherwise show proof of insurance. Fees and costs shall apply during non-regularly staffed hours and to other organizations granted use of facilities at any time. A fee schedule and other terms of use shall be prepared by the Director and be subject to annual approval by the Board.

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the Joint Agreement may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The Joint Agreement will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, website, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Director or designee is designated the Title II Coordinator and shall:

1. Oversee the Joint Agreement's compliance efforts, recommend necessary modifications to the Council, and maintain the Joint Agreement's final Title II self-evaluation document, update it to the extent necessary, and keep it available for public inspection for at least three years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Director or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Director or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

Gifts to the Joint Agreement

The Executive Council appreciates gifts from any education foundation, other entities, or individuals. All gifts must adhere to each of the following:

1. Be accepted by the Council or, if less than \$500.00 in value, the Director or designee. Individuals should obtain a pre-acceptance commitment before identifying the Joint Agreement, any school, or school program or activity as a beneficiary in any fundraising attempt, including without limitation, any Internet fundraising attempt.
2. Be given without a stated purpose or with a purpose deemed by the party with authority to accept the gift to be compatible with the Council's educational objectives and policies.
3. Be consistent with the Joint Agreement's mandate to provide equal educational and extracurricular opportunities to all students in the Joint Agreement as provided in Council policy 7:10, *Equal Educational Opportunities*. State and federal laws require the Joint Agreement to provide equal treatment for members of both sexes to educational programing, extracurricular activities, and athletics. This includes the distribution of athletic benefits and opportunities.
4. Permit the Joint Agreement to maintain resource equity among its learning centers.
5. Be viewpoint neutral. The Director or designee shall manage a process for the review and approval of donations involving the incorporation of messages into or placing messages upon school property.
6. Comply with all laws applicable to the Joint Agreement including, without limitation, the Americans with Disabilities Act, the Prevailing Wage Act, the Health/Life Safety Code for Public Schools, and all applicable procurement and bidding requirements.

The Joint Agreement will provide equal treatment to all individuals and entities seeking to donate money or a gift. Upon acceptance, all gifts become the Joint Agreement's property. The acceptance of a gift is not an endorsement by the Council, Joint Agreement, or school of any product, service, activity, or program. The method of recognition is determined by the party accepting the gift.

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the Joint Agreement's schools. While parent organizations and booster clubs have no administrative authority and cannot determine Joint Agreement policy, the Executive Council welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Council and permitted to use the Joint Agreement's name, a Joint Agreement school's name, or a Joint Agreement school's team name, or any logo attributable to the Joint Agreement provided they first receive the Director or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Council policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parent(s)/guardian(s) of students enrolled in the school, Joint Agreement staff, and community members.
5. A statement that the Joint Agreement is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the Joint Agreement to use at its discretion. The Council's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the Joint Agreement's representative. At no time does the Joint Agreement accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Director shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.
